

## Back-To-School Supply Drive

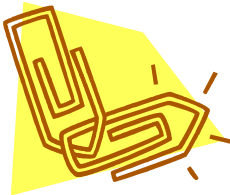

SPC is partnered with Southport Elementary School as part of the Community in School (CIS) Program. Back to School means lots of school needs for many children. You can meet this need by bringing school supplies and dropping them off in the colorful bins located in the Narthex and Fellowship Hall now

through the end of September. The list of needs is listed in the August Newsletter and will be listed again in the September Newsletter. These supplies are a much needed resource that can make a huge

difference in the lives of the children and teachers at Southport Elementary!
