Together We Can Reach Our \$600,000 Goal!

Your time, talent and treasure are all necessary to strengthen and enhance the church's ministries. Below are examples* of using your treasure to support Living the Vision.

Note: You can donate directly from a retirement account (IRA, 401k, 403b), which may be excluded from taxable income and may apply toward your Required Minimum Distribution (RMD). Consult your tax advisor.

Your SPC family thanks you for your generous support.
